

PRIVACY POLICY

3P Consulting Engineers, Inc. (hereafter 3P), as responsible for the Website, informs you that the data that you voluntarily provide us will be incorporated into our information systems in order to carry out the necessary administrative and commercial procedures with the Users. Following are the operations related to the data supplied: 1) Respond to inquiries and/or provide information required by the User; 2) Carry out the provision of services contracted or subscribed by the User; 3) Make the delivery of products purchased by the User; and, 4) Carry out 3P's internal administrative activities, such as sending information of interest to the User, newsletters about 3P's services and / or products.

The asterisk symbol (*) in the forms on the website indicates that it is mandatory, allowing you to differentiate which data is mandatory and which is not. Through the introduction of the data, the User grants unequivocal consent to **3P** to proceed with the treatment of the same according to the aforementioned purposes.

Failure to indicate mandatory data or not accepting this privacy policy makes it impossible to subscribe and / or register to receive information about 3P's services and / or products.

3P guarantees that it has implemented both technical and organizational policies to apply the necessary security measures to protect the data provided by Users. Likewise, the User has the right to request the data provided, modification or elimination thereof and to withdraw the consent given through the email tecnologiasocialadaptativa.sai@gmail.com. The withdrawal of consent will not affect the request for the treatment carried out to the data before the withdrawal of the same. You also have the right to complain to **3P** if you believe that your data may have been misused via the aforementioned email.

ACCEPTANCE

The User declares to have been informed of the conditions on the protection of personal data, accepting and consenting to the automated processing thereof by **3P** in the manner and for the purposes indicated in this Data Protection Policy.

ACCURACY AND TRUTH OF THE DATA

The user is solely responsible for the veracity and correctness of the data sent to **3P**, exonerating it of any responsibility in this regard. Users guarantee and are responsible,

in any case, for the accuracy, validity and authenticity of the data provided, and undertake to keep them duly updated. The user agrees to provide complete and correct information in the 3P software registration, subscription and / or application form.

CONFIDENTIALITY AND TRANSFER OF DATA TO THIRD PARTIES

The data you provide us will be treated confidentially. **3P** has adopted all the necessary levels of protection to guarantee security in the processing of data and thus avoid: its alteration, loss, theft or unauthorized access. Likewise, it is also guaranteed that the treatment and registration in files, programs, systems or equipment, comply with the requirements and conditions of integrity and security.

3P will not transfer the data provided to third parties, except by legal obligation. However, in the case of being transferred to a third party, the express consent of the User for such transfer will be requested in advance.

EMAILS

3P does not carry out SPAM practices, therefore, it does not send emails that have not been previously requested and / or authorized by the User. Consequently, in each of the forms on the Website, the User has the possibility of giving their express consent to receive information that they consider to be of interest to them.

CHANGES TO THE PRIVACY POLICY

3P reserves the right to modify this privacy policy at the time it deems necessary and will be notified to the subscribed users by email.
